

MR. PAYNE

WEB & SOFTWARE DEVELOPER

ABOUT ME

NAME BARNABY PAYNE
DATE OF BIRTH 13.06.1998

INTERESTS

ILLUSTRATION

Drawing and painting is a large part of my life and has served as a source for feeding creative inspiration throughout everything I do.

TRAVELING

Traveling has formed an important part of me. I enjoy finding new places, meeting new people and experiencing new things. Also the food is a plus

FOOD

Speaking of food I love to cook good food and more importantly eat good food.

LANGUAGES

I always want to find new ways of communication. Language learning is great for scratching that itch

RECENT PROJECTS

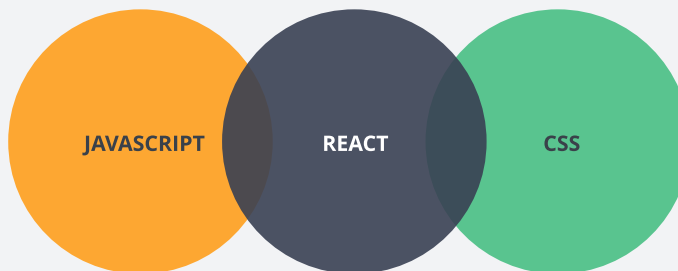

SPARKS CIC

Wordpress theme design and development
sparksharrogate.org

BURRITO.AGENCY

Working as a frontend developer to create loyalty pages for clients.

SKILLS

JAVASCRIPT

REACT

CSS

Creating new things becomes easier and streamline once you find the right tools to do it with. Then you're free to express yourself creatively without technicality getting in the way.

These three are just some of the technologies that have helped me achieve that.
